

Unbridled played a leading leadership role by not only being one of our initial scholarship donors, but also making key introductions to dRAE Media who designed our website pro bono. Unbridled also assisted in landing our biggest sponsor of \$20,000 for our annual “Back 2 School Backpack giveaway” where we have given over 2,000 backpacks filled with school supplies to prepare local youth to get ahead.

Thank you Unbridled for being the star player in our playbook for success.
